Day 1. Tue 27 Nov: Home – Mansfield

(MT/L/D)

Good morning and welcome aboard. Let's begin our journey to Fabulous **Mansfield Zoo**. We will stop along the way for morning tea before arriving at the Mansfield. The Mansfield Zoo is one of North East Victoria's hidden secrets, with a large collection of **exotic and native animals** on 30 acres of picturesque parkland featuring lovely views across the Delatite Valley to Mt Buller. Meet Hobbs, the mischievous capuchin monkey and Basil the chocolate camel, who loves to steal spades. Wander with Emily and Miss Greedy, the friendly fallow deer, and Joey the Grey Kangaroo, just some of the animals who will interact with you as you stroll around. We will spend the entire afternoon at the Zoo feeding many of the animals as we wander, including monkeys! After meeting all the animals we will head to our motel to check in and freshen up before departing for a short trip to the **Mansfield Bowls Club** where we enjoy a lovely **2 course meal**.
Overnight: Mansfield Valley Motor Inn

Day 2. Wed 28 Nov: Mansfield - Home

(B/MT/L)

After a hearty, cooked breakfast we farewell our hosts and head towards **Healesville** stopping for morning tea and comfort stops along the way. In Healesville we visit the **Big Bouquet Gerbera & Alpaca Farm**. Set in the heart of the beautiful Yarra Valley, The Big Bouquet farm is one of a kind. You can enjoy a wander through the gardens, gift shop and information room. Whilst here we will take **guided tour** of the property so we can learn more about the friendly heard of **alpacas** who live here and the beautiful gerberas that are grown here. The experienced tour guide to bring the alpacas up nice and close for you to meet, followed by a wander through the impressive glasshouse, filled with over **60000 flowering gerberas** all year round! We will enjoy a lovely lunch at the café and have a chance to wander through the gift shop which stocks gorgeous flower bouquets and fabulously soft alpaca wool. After our visit to this lovely farm it's time to head back towards home with comfort stops along the way having enjoyed our lovely little getaway.
