Our State is blessed with ever changing and beautiful scenery, rolling hills and open plains. Our history is splashed with famous tales from the first settlers, the gold rush and our colourful bush rangers. We have world-class tourist attractions and unique places of interest that are majestic and historically significant to Victoria and Australia. With Daytripper Tours 'Let's discover the beautiful 'North East' tour, your time in this wonderful part of our State will be spent exploring and experiencing some of the unusual features, local identities, townships and attractions that has seen them withstand the test of time.
